

# MEMBERSHIP MANUAL

## Follow these rules to join the Desks For Future community:

1. Fill out the following **FORM**.

We will ask you to describe the type of company you represent and to provide the company name, but also the name and surname, job title and email address of the internal contact responsible for sustainability/HR. Describe why your company would like to join our network and what measures (in agreement with our manifesto) you would like to adopt.

2. We will respond by getting into the merits of your request, asking for a remote appointment to explore the application further.

3. We will ask for the contact details of internal staff to whom we will submit an inquiry form to receive insights on social and environmental sustainability within the company from their point of view.

4. You will receive a DFF certification badge to display on your website and corporate materials, and receive access to exclusive materials regarding the DFF community. Your company's membership in the community will be promoted on official DFF touchpoints, the No Panic & Act website and social media.

5. You will commit to updating the platform regularly on the progress of your commitment.

*And remember: "Earth Day Every Friday!"*
